Every day I see this shit I am jaded further and further on how we can live in a time where the Nazis can exterminate millions of jews and then the jews turn around and start exterminating people **for the exact same reason as the nazis**

We deserve the fate climate change is going to provide for us.

Haven't you heard what netanyahu said? The Nazis didn't actually want to exterminate the Jews, the Muslims put them up to it so it's fine that the Israelis do it to the Palestinians now..... (he literally said this: <https://x.com/ashoswai/status/1707005900949463440?s=46&t=fHbVBnc-a6nsvyfEkd-CRA>)

A painting of a red fist holding a snake with a swastika on its head. The fist is clenched and holds the snake by its body. The snake is coiled around the fist, with its head raised and facing forward. The background is dark and textured.

### Welcome to /r/Socialism

**Socialism as a political system** is defined by democratic and social control of the means of production by the workers for the good of the community rather than capitalist profit, based fundamentally on the abolition of private property relations.

**Socialism is also a sociopolitical movement** dedicated to the critique and dismantling of exploitative structures, including economic, gendered, ethnic oppression.

Socialism, as a movement, confronts these different systems of oppression as mutually conditioning, intersectional, and/or dialectically related within the current hegemonic order. It seeks to overcome oppression in a holistic manner without neglecting any particular axis so that it might be eliminated and genuine social emancipation may be realized. We recognize that Socialism cannot be achieved while structural oppression continues and workers are divided.

We look forward to your participation in our sub, but please be mindful of our posting guidelines.

Are you new to socialist ideas? Wondering what alternatives to capitalism exist? Please check out our educational materials and wiki further down in this sidebar.
